

THE FLAME

Volume XV Issue VIII

"Put out" by the Camas Valley Fire Department Auxiliary

September 2015

Pete and Bonnie Dancer,

We would like to express our sincere appreciation of the financial gift that was given to us while Kaleb was in the hospital!

Thank you so very much!

The Carter Family

David, Susie, and Kaleb Carter

To the Camas Valley Graduating Class of 2015,

There are no words to say how much we appreciate the financial gift you gave to Kaleb to help him with bills or whatever else was needed!

We want to **THANK YOU, THANK YOU** so very much! Again, we cannot tell you how much we appreciate it!

David, Karen, and Kaleb Carter

Thank yous

Keith and I are beyond grateful for the love, support and prayers poured out by our community; our home; our family. Camas Valley, Tenmile, Lookingglass and Winston Fire departments showed up at our house at 12:30 am on July 25, 2015. The house was burning. There is a great peace when people you know show up to help. People you can talk to, people that can feel your grief. People that will hug you, laugh with you and mourn with you. Our volunteers are these people. Thank you for what you do!

The first firetruck left after 7am. Camas Valley was still there at 9. CV came back at 2 because the wind picked up and started the smoke rolling again. They didn't poo-poo my fears, just calmed me and watered the hot spots.

long night. The companionship comforted us throughout that night and a longer day. The food ... oh my gosh, the food. The items we don't always consider; shampoo, deodorant and toothbrushes. Clothing - have you ever cried over a sports bra? Love and hugs given in tangible items. Money, so humbling but such a blessing to us. It reminded me of the widow offering her mite to God, she gave so much because she gave with her heart.

God's miracles were evident that night. If you ask me, I will help you count them; the saving of pictures, the loss of dogs, the saving of dogs, trees that were fallen, trees that quit burning, cars that weren't in the way and cars and a motorhome that could be quickly moved.

Your prayers kept us throughout a

Food Pantry

Completing your garden preserving? Have some productive plants you hate to pull? If you would like to pass on some of your garden abundance, call **Betty at 541-445-2855**. She will arrange for that extra produce to be put to good use.

Don't have a garden? Pick up a can or two and feed the food barrel at the Post Office every time you go shopping. A little bit adds up over time.

Celebrate Fall at the Grange

The Grange is open to the entire community—a place where friends gather, new friends are made. Come join us for lunch!

- ♦ **Tues. Sept. 1st** Ladies' Luncheon at **noon** with bingo after.
- ♦ **Tues. Sept. 8th at 10 AM**, is the business meeting to plan the next luncheons.
- ♦ **Tues. Sept. 22nd** Senior luncheon at **noon** with bingo afterwards.

Why an email subscription?

Email allows you to keep friends and family that have left the valley to keep up with the events that affect this community. **Or maybe you would just like to get the Flame (in color!) early—by the 26th.**

Send name and email address to:

jwickham52@gmail.com

and an electronic copy will be sent to them each month, free.

(Kinnan from pg 1)

God's grace was abundant and God's peace passes human understanding.

There is no word to say that conveys all that is in my heart so when I say "Thank you" I hope you feel the outpouring of my soul. This is my prayer of blessing for you:

Numbers 6: 24-26

24 "The Lord bless you and keep you;
25 The Lord make His face shine upon you, And be gracious to you;
26 The Lord lift up His countenance upon you, And give you peace."

With all the love in our hearts,
Keith and I say "Thank you!"

How can you keep fruit fresh longer so you don't waste money, fruit and protect nutrients?

- ♦ Store bananas at room temperature. When bananas turn brown, put them in the freezer to use later for fruit smoothies or baked goods.
- ♦ Store these fruits in the refrigerator: apples, berries, cherries, grapes, pineapples, and rhubarb. Store fresh fruit unwashed. Wash them just before you eat them.
- ♦ Keep vegetables and fruit apart. Fruit produces gas that make vegetables spoil. If you have 2 drawers in your fridge, put vegetables in one and fruit in the other.
- ♦ Ripen these fruits at room temperature then store in the refrigerator: Avocados, grapefruit, kiwifruit, lemons and limes, mangoes, melons, peaches and nectarines, oranges and tangerines, pears, plantains, plums. Buy these fruits at different stages of ripeness. Eat the ripe ones first and let the other ones ripen.

Try the tray freezing method to freeze fruit. This will help fruit keep its shape and keep it from clumping together. Fruits and high water content like melon do not freeze well.

1. Berries: Wash berries in a bowl of cold water. Pick out the damaged berries. Drain for 15 minutes in a large colander. Peaches or nectarines: Wash, pit and slice. Toss lightly in lemon juice to keep from browning. Rhubarb: Wash, trim ends and slice.
2. Spread the washed fruit in a single layer on a cookie sheet or tray.
3. Put the tray in the freezer for 1 to 2 hours.
4. When the fruit is frozen, store it in sealed bags or containers for up to one year. Label the bag with the name of the fruit and the date.

Ready, Set, Go!

Wildland fire preparedness in partnership
with your local fire department

Ready – Be ready.

Talk to *local fire department personnel* about preparing your home for wildland fire threat.
Work to prepare your property by creating *defensible* space.

- ☒ Clean up or relocate combustible material from around your home
- ☒ Keep grass mowed short
- ☒ Trim trees and bushes, to allowing ample space between your home and landscape vegetation

Set – Be alert.

Prepare: a 'go kit' and include items such as

- ☒ Prescription medication
- ☒ Emergency supplies
- ☒ Important documents

Create your own *action plan*

- ☒ Plan and practice multiple exit routes from your home and neighborhood
- ☒ Assign a meeting place in case you are separated
- ☒ Make sure you're familiar with your local emergency notification and evacuation systems

Go! – Act early!

- ☒ **Remain alert** and keep yourself informed of the situation.
- ☒ Get your 'go kit' and leave well before the impending threat reaches your community or neighborhood following a planned, accessible route.
- ☒ Cooperate with local authorities during evacuation and re-entry processes.

Distracted Walking

With more and more children and teenagers owning digital devices, it is crucial that children understand the importance of pedestrian safety. Findings from a study conducted by the U.S. Consumer Product Safety Commission show that in 2011 a total of 1152 people of all ages were treated in hospital emergency rooms in the U.S. for injuries sustained while walking and using a cell phone for other electronic device. And according to statistics posted on www.safekids.org, 61 children are hit by cars every day in the United States.

As children prepare for the new school year, they need to learn and practice basic safety tips while walking to and from school, around school busses and cars, and to other activities. While it's important to keep these rules in mind during the school year, they should be practiced at all times.

- Do not walk, talk and text.
- If you have to talk or text, move out of the way of others and to the side of the walkway.
- Do not cross or walk in the street while using an electronic device.
- Do not walk with headphones in your ears.
- Be aware of your surroundings, especially in congested areas.

Superintendent's Message

As usual, Camas Valley has a lot to be proud of.

This summer brought a fresh coat of paint to our buildings down by the football field, a new heating and cooling system in our gym, and a cool new reader board that we can change more frequently to keep folks up to date on events that are happening in our district. We also have our pre-school starting up on **Sept. 8th** which is a big deal for our community and our kids.

Teachers are starting to show up to get prepared for the kids, and they have that nervous excitement that is so common this time of year.

Our sports teams have started practicing, and another amazing season of Hornet volleyball and Hornet football await.

We hope you will all get involved in our school, be it supporting kids in the classroom, on the athletic field, or in life. Together as a community, we can do so much to create a better life for our young people if we just show them we care about them.

Back to School Night/Open House

This year with assistance from the Charter Council, we will be having our Open House night on **Sept. 9th from 5:00 p.m. to 7:00 p.m.** We want to call it a **Back to School Night**. We hope the change of date will allow for more people to attend and for students, staff, and parents to be better prepared to take advantage of that night.

Go Hornets!!
