

THE FLAME

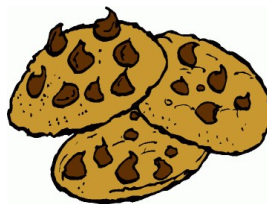

Volume XXIII Issue III

"Put out" by the Camas Valley Fire Department Auxiliary

April 2023

Calling all lovers of baked goods!

A much enjoyed part of the Camas Valley Volunteer Fire Department is the Cake Walk. To have a cake walk, you must have **CAKES! (or cookies, pies, brownies...you get the idea)**. They do not have to be in snazzy plastic containers; they do not have to be perfect; they do not have to be exotic or elegant; but they do have to be. Anybody can slice Pillsbury cookie dough and bake it. Slap them on a paper plate and cover with wrap and you are a hero!

Want to do something simple but memorable? Try my aunt's **coconut-pineapple pie** (sounds like pina colada, to me!)

Beat until smooth: **1 cup sugar,**
3/4 stick butter, melted
3 eggs.

In a small bowl mix:
1 small can crushed pineapple
and 2/3 cup coconut.

Add to the beaten ingredients.

Put into unbaked 9" pie shell. **Bake at 350°** for 50-55 minutes, until the center doesn't wiggle. Let cool.

From experience, make two!

And they're **OFF!**

Who doesn't enjoy watching the eager egg hunters take off for the big event? The joy and enthusiasm is contagious. Don't miss out on this year's event at the school football field.

The gates open at 10 am and the **hunt starts at 10:30**. After the Easter egg hunt, all hunters go the bus barn to turn in their eggs and collect their free prizes at the prize table. There will be goodie-filled baskets to raffle off and, of course, the sugar-driven cake walk with sweet rewards!

Winston-Dillard Food Pantry News

With the reduction of food stamps, we are sure there are those that need some additional help with food. Please remember that the Dillard-Winston Food Pantry is available for people in the Camas Valley-Tenmile areas. We have been told by a CV client that the mobile pantry is not always available as scheduled so come see us.

The DW Pantry is still in the pavilion in Riverbend Park on Thompson Street and our hours are still **Monday and Wednesday from 9:30 to 11:30 except for holidays**. We have had to discontinue the 4:30-5:30 p.m. the first and third Wednesdays until we have a more secure spot. Clients can get 15 food boxes a year but no more than two a months. We are here to help so would love to see your smiling faces!!!!

Be sure to let Vonnie know you are leaving items at **541-445-2355**.

Superintendent's Message

Dear Camas Valley families,

Education and school for a long time have been the focus in smaller communities. The people involved in the educational process and the community are intertwined together. In communities like Camas Valley respect, caring and excellence has always been important. In the educational process these ideas can't be forgotten. The bottom line is in education you are not only developing young people for society but making efforts to better your community.

Today I was teaching the Leadership class and we were talking about how to create unity. We talked about sharing and focusing on a common goal and how we get there. We started with having a vision for the leadership class; this will lead to having a vision for Camas Valley and how to better the community. One of the main ideas that came out of this was putting other people first. This is not the norm in our society, but we are going to try and change that! We are going to pick a project and see how far we can go. We will share more as we move forward in the project that we pick.

With care,

Mr. Wonsley

Our community expresses its appreciation

February 25th

Dear Camas Valley Volunteer Fire and Medical,

We always say how much you are appreciated, and then we need you and words are not enough.

Having you show up when I was scared and in pain was absolutely amazing. Hearing you work together to get the best plan for my care was beyond reality. Knowing that you cared and worried after I was "off your hands" moves me to tears.

Thank you for being there for me and my family when I couldn't care for myself! Much love and hugs!

PS—If the rumor mill hasn't made it to your house yet-I had an infection that was turning to sepsis. The hospital kept me for a couple of days and I am home and healing.

Diana Kinnan

With Heartfelt Gratitude

My family and myself wish to express our appreciation for the professional care given my husband over repeated ambulance calls. With each call, you showed compassion and professionalism beyond your youth. Camas Valley is blessed to have such individuals willing and able to respond to the needs of others in their community.

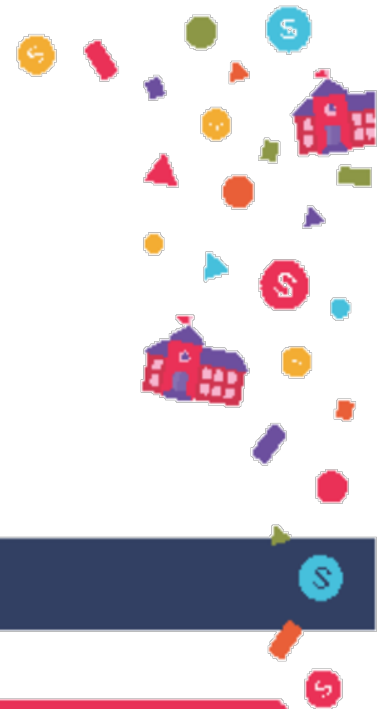

Unfortunately, after repeated events, my husband passed. But the dedication of the Camas Valley Volunteer Fire Department and ambulance crew has left us comforted knowing we live in such a compassionate community.

Gratefully,
Margo Kormendi and family
