Grange Cooks Scratch One Job Off Your List

We all have long lists of projects we want to get accomplished while the weather cooperates. Need sunshine (at least not raining), long days to wrap it all up, all hands on deck to get it done. Allow yourself to get wrapped up in your work and let the cooks at the Grange fix you a hearty, nutritious noon meal on the first and fourth Tuesday of each month. For just **\$7** you will go away fueled for the rest of the day and helped pay for maintenance of the Grange building.

The conversation with friends and neighbors just adds to the meal and you may decide your project can wait while you play a few rounds of Bingo. All work and no play makes Jack (or Jill, for that matter) a dull person. And you wouldn't want that!

We just want to thank everyone who helped us in our time of need. We greatly appreciate everything everyone has done for us. It's so nice to have such a loving community.

Thank you,
the Judd family

- ♦ **Tues. June 5th** a delicious **Community Meal** starts at **Noon**.
- ♦ **Tues. June 12th at 10 AM**, business meeting to plan next month's meals.
- ♦ **Tues. June 26th** our **Senior Meal at Noon**. Both the Community and Senior Meals are followed by Bingo!

We need your help!

The Camas Valley Pyros are looking for someone who would like to help shoot fireworks. If you are interested please call **Terry St Clair at 541-430-2746**.

WE NEED DONATIONS, PLEASE! At this time, we have **\$3300**. Terry says we need **\$7000** for this shoot. There is a donation box at the Bravo Cafe. Also remember the **PYROS BIRTHDAY CALENDAR** is a fundraiser for this event. If you don't want to put your donation in a box you can call **Terry or Mary Helen 541-643-6317**. We will be taking donations at the gates again this year but that money goes toward next year's show.

We hope to see everyone at our show **Wednesday, July 4th** at dusk at the Camas Valley School football field. Call me if you have questions about the fireworks show or the Camas Valley Pyros Birthday Calendar.

~Mary Helen ~

We appreciate your support!

Winston-Dillard Food Pantry

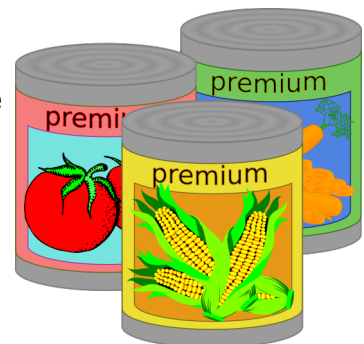

School is out and the kids are running around in the fresh air all day, working up huge appetites. Sounds like there should be hamburgers on the grill and corn roasting on the side. Maybe ice cream to top it all off.

Not going to happen. Not if you are struggling to make ends meet. Without the assistance of the free meal programs at school, kids go hungry. You can support the Winston-Dillard Food Pantry by donating non-perishable food items in the Food Barrel at the Post Office, by writing a check to :

Winston-Dillard Food Pantry
c/o Betty Wittrock
PO Box 213
Camas Valley, OR 97416

or call Betty at **541-445-2855**. Help make summer free from empty stomach pains. Help make a child's summer, well, summer-like.

Why an email subscription?

Email allows you to keep friends and family that have left the valley to keep up with the events that affect this community. **Or maybe you would just like to get the Flame (in color!) early, by the 26th.**

Send name and email address to:

jwickham52@gmail.com

and an electronic copy will be sent to them each month, **free.**

Remember to "remember" what Memorial Day is all about

"Oh Soldier"

Oh, Soldier, Oh Soldier
Wrapped in Red, White and Blue
We'll never know what you went
through
You fought on a battlefield, sailed
the wide blue sea
Soared high in the sky
For our freedom and Liberty
Many wars, many tears have
taken their toll
God, we pray, you bless each
and every soul
Let's ne'er forget their battle is done
That their blood was shed for everyone
Oh, Soldier, Oh Soldier wrapped in
Red, White and Blue
You're home at last and we stand to
Salute you

The directory will be printed when space allows through-out the year. We encourage our readers to patronize local businesses and support your neighbors!

I would like to refer to the editorial "Environment vs. economy" in the Friday, March 23, 2018 issue of The News Review. The last paragraph is from Senate President Peter Courtney.

"Urban or rural, Democrat or Republican, we share the same state, same air, same environment and the same planet. It's time human nature starts taking care of Mother Nature."

It is an interesting read and maybe one of you might want to get involved.

INSECT SPRAY

To avoid using aerosol cans here is an insect spray you can make up and use out of a spray bottle that you can buy at the dollar store:

- ♦ Put 20 peeled garlic cloves, one cut -up onion, and one quart of water in a blender. Run it a minute.
- ♦ Strain through cheesecloth.
- ♦ Mix with one-gallon water and add a tablespoon liquid soap
(I use Dawn soap, I use Dawn for everything)
- ♦ and 4 tablespoons glycerin.
- ♦ Spray where needed.

TICK REPELLANT RECEIPE:

- ♦ 20 drops of Lemongrass essential oil
 - ♦ 20 drops of Eucalyptus essential oil
 - ♦ 40 ounces of cool water
 - ♦ Add all ingredients in a spray bottle
 - ♦ Shake well
- Spray on shoes and pant legs

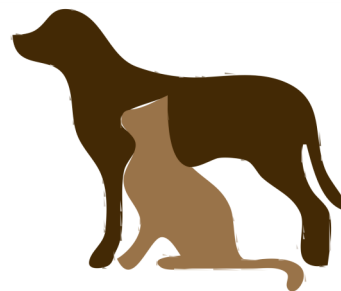

SAFE FOR HUMANS AND ANIMALS
ALIKE.

Here are a couple more pieces of information "just because":

*For bleaching and germicidal agent use sunshine

*For window washing solution use ½ cup ammonia, 1/8 cup vinegar, 1-quart warm water. Or use warm water and Dawn soap and change often (that is what the window washer man uses).

These ideas save money and you won't be using toxic materials that harm our waterways and our pets.

Job Opportunities

Camas Valley School is looking to add the following part time positions and is looking for qualified candidates to do one or more of the following:

- ♦ Title 1 aide,
- ♦ art teacher,
- ♦ special education teacher,
- ♦ bus driver.

More information can be obtained by calling the office at **541-445-2131**.

Superintendent's Message

Camas Valley School has been awarded a \$1.75 million dollar grant for seismic rehabilitation of the main building. The grant is funded by the state of Oregon and represents an opportunity for us to fortify our 90 year old building so that it can continue to serve our district for many years to come.

While our building is in great shape for its age, at the time it was built it was not engineered to withstand a large earthquake. This rehabilitation will bring the building up to modern standards for seismic activity resistance. The preliminary planning and organization will begin late this summer and early fall, with construction expected to begin in the spring of 2019, with the majority of the work to be finished during the summer of 2019. I feel this is an incredible victory for our district. Our beautiful historic building will retain its design and look while getting "Stronger Bones" to hold up to earthquake activity.

Another bit of great news is that we received another \$20,000 grant from the Ford Family Foundation to run our Summer Enrichment Program again. We will do two weeks of Summer Enrichment from July 16-26th for students exiting K-8th grade. Much like last year, we will have a full day, provide transportation, and serve lunch. Classes will be largely based on hands on activities related to science, technology, engineering, art, math, or reading.

More details will be coming home soon. We want everyone who is interested in having their children be a part of this to register before school is out. Do this by calling the office at **445-2131** and signing your child up today!!

We will also have our library open for several hours on Tuesdays and Thursdays for activities, story time, and general library activity. Again, more details will be posted on Facebook and sent home in the near future.

Finally, I have an update on our Inclusive ADA Playground Project. So far we have raised \$32,500 in grants for the playground project. This is a great deal of money, but below what we need to get the whole project done. We are considering options for doing the project in stages or finding ways to fund more of the project via the school's general fund. Either way, it is still taking shape, but it could be delayed a bit. Great things like this that serve our kids and our communities are worth waiting for, so we will do all we can to make this project turn out right and be another stellar addition to our fantastic school and community. If you have questions about the playground project or wish to donate, volunteer, or help in some way with this project, please contact me at the school at 445-2131.

Go Hornets!

Sincerely, Patrick Lee
