If you are a business and would like to sponsor this year's calendar, please reach out to us and let us know as soon as possible. We could not do this without our sponsors. Also, if you would like to have any meetings, special occasions or events added to the calendar please let us know as soon as possible.

We hope you are enjoying this year's calendar and all the changes that were made. The order form has two forms so you can keep one and give one to a friend, neighbor or family member. Camas Valley Volunteer Fire Department Calls

August 20th at 2:54 a.m.

In the early morning hours, Camas Valley Fire was dispatched to reports of an illegal burn near Milepost 51 on Highway 42. Upon arrival, crews discovered a pile of trash burning in a highway pull-off with no one present. The fire was contained to the trash pile and quickly extinguished. Responding units from Camas Valley Fire included Brush Trucks 4281 and 4290 with three volunteer firefighters. Safety Reminder: Illegal burns are dangerous, especially during dry summer conditions. Please dispose of trash properly and follow all fire restrictions to help keep our community safe.

Training Tower Update

It's been 4 months since our last update, and we're excited to share that we're nearing completion of our Shipping Container Burn Building-now with 561 volunteer hours put in by our dedicated team! We've officially finished painting one side of the tower and have begun wire brushing the remaining sides. To complete the back and both sides, we are in need of approximately 9 gallons of re oil-based

Rust-Oleum paint in "Safety Red"- a pre-mixed gallon commonly available at Lowe's, Home Depot or DC Co-Op. If you're willing to donate a gallon, please drop it off at our fire station anytime, or call the station and we'll gladly come pick it up. Each gallon helps us get a little further toward the finish line! We also want to thank Janice James for donating us 3 gallons of red paint! This project has been a major community effort, and every bit of support helps us reach the finish line. Learn more or get involved here:

Thank you for continuing to support your local volunteer firefighters!

BRICK FUNDRAISER UPDATE!

We are excited to announce that we have officially reached our fundraising goal! Thank you to everyone who has purchased a brick so far-your support means so much to our department and community.

But it's not too late to get your brick! Purchases are still open, and **this is the LAST month to order**. The official cutoff date is **September 24th**.

Extra funds raised will go toward constructing the pathway where the bricks will be placed. Any additional funds beyond that will be used for our new equipment fund to help upgrade and improve our firefighting tools.

Don't miss your chance to be part of this lasting project-order your brick today!

How to Purchase:

- Visit polarengraving.com/camasvalleyfire
- Stop by the fire station on Mondays at 6:00p.m.
- Call our station and pick a time for a volunteer to come to you!

Thank
you

Our first shipment of engraved bricks has arrived! Check out the photo to see the beginning of what will become a lasting tribute to our incredible community. If you purchased a brick after May 21st, don't worry-your brick will be included in the next shipment.
