

THE FLAME

Volume XV Issue VII

"Put out" by the Camas Valley Fire Department Auxiliary

August 2015

Long, hot, dry fire season forecasted

The crunch of crispy vegetation under your feet is a pretty good indicator of how this fire season is progressing. Douglas Fire Protection Association has shifted us into the Extreme category. To avoid starting fires that could quickly explode into major valley issues, be mindful of all outdoor activities. Below are some suggestions provided by the NFPA Fire Break Wildland Fire Newsletter.

Here are some important tractor use and mowing tips: (metal blades hitting rocks can spark a fire)

- ♦ Mow during the cool time of day generally while there is still dew on the ground, not during the day and especially not when the wind is blowing.
- ♦ Don't top off fuel tanks.
- ♦ Make sure spark arrestors are in proper working order and there is no carbon build up.
- ♦ Keep a shovel and water source or fire extinguisher close by at all times.
- ♦ When transporting tractors, mowers and recreational vehicles make sure that chains on the trailers are not hitting the pavement as you are driving, throwing sparks.
- ♦ Take special care when using mowers and tractors in dry grass that can easily ignite.
- ♦ Remove rocks and metal from the yard that could be hit by the mower and cause sparks.
- ♦ **Keep a cell phone with you and dial 911 in the event of an emergency.**

DONATIONS NEEDED!

While many people donate their time and energy to provide you with the community news in the monthly issues of **The Flame**, we still have an operating budget of just under \$800 for postage. Postal rates for our mailings have gone up to \$52.50 per month and our latest, and ever increasing, annual permit fee was \$220. We are totally donation funded.

If you enjoy your Flame and would like to continue this form of community news, would you consider sending a donation? Please send to:

THANK YOU!

Food Pantry

Summertime, and the livin' is easy. Or so the lyrics from "Porgy and Bess" go. Got the garden producing? Being overwhelmed by zucchinis? There are folks out there with no garden area, hungry kids, and no money for food. Regardless of how the parents got in that situation, the kids end up feeling hunger pangs, too.

If you would like to pass on some of your garden abundance, call **Betty at 541-445-2855**. She will arrange for that extra produce to be put to good use. Don't have a garden? Stick a can or two into the food barrel at the Post Office every time you go shopping.

August Grange Happenings

- ♦ **Tues. Aug. 4th** Ladies' Luncheon at **noon** with bingo after.
- ♦ **Tues. Aug. 11th at 10 AM**, is the business meeting to plan the next luncheons.
- ♦ **Tues. Aug. 25th** Senior luncheon at **noon** with bingo afterwards.

Why an email subscription?

Thank you, Camas Valley firefighters!

By now you have heard of the house fire in the valley. While **Dianna and Keith Kinnan** are okay, their home is a total loss. Believe it or not, it could have been worse. The responders gathered pictures off the walls, other treasures, and even threw clothing out the window to safety. It is this thoughtfulness that makes this such an awesome community and this volunteer fire department so exceptional. Thank you guys for being there for us.

Sorry to be late!

I apologize for the delay in getting the August Flame to your mail box. My computer died a slow death just before the deadline and had to be replaced. Of course then all the necessary software had to be purchased and downloaded.

Thank you for your patience,
Judith

Calendars Coming!

Your **CAMAS VALLEY PYROS BIRTHDAY CALENDAR** will be here the end of August. PLEASE, if you have not paid for your calendar, will you give me a call so we can get together.

BEACH AND WATER SAFETY

Tragic water accidents happen quickly. The most common reason for aquatic mishaps is a lack of safety knowledge.

- Learn to swim
 - Swim near a lifeguard
 - Never swim alone
 - Supervise children closely, even when lifeguards are present
 - Don't rely on flotation devices, such as rafts, you may lose them in the water
 - If caught in a rip current, swim sideways until free, don't swim against the current's pull
 - Alcohol and swimming don't mix
 - Protect your head, neck, and spine-don't dive into unfamiliar waters-feet first, first time
 - If you are in trouble, call or wave for help
 - Follow regulations and lifeguard directions
 - Swim parallel to shore if you wish to swim long distances
 - Scuba dive only if trained and certified-and within the limits of your training
 - No glass containers at the beach-broken glass and bare feet don't mix
 - No beach fires except in designated areas-fire residue and superheated sand can severely burn bare feet-use a barbeque that is elevated off the sand
 - Report hazardous conditions to lifeguards or other beach management personnel
 - Stay clear of coastal bluffs, they can collapse and cause injury
- Never turn your back to the ocean-you may be swept off coastal bluffs or tide pool areas and into the water by waves that can come without warning.

BE AWARE OF OCEAN CONDITIONS.

Superintendent's Message

August is a busy month for the school, so let's jump right in to some of the most important happenings.

On **August 3rd** we will have a meeting with all families interested in attending pre-school this year. Please bring your pre-school child with you so we can meet, greet, discuss the plans for pre-school, and get registration forms out to you. We will feed you, so come at **6:30** with an appetite. Please contact the school or wait to be notified for the exact location of this meeting.

August 10th-13th is registration week for students attending Camas Valley School. Regardless of whether or not you have been in our school before, we need everyone to register during this week so we can finalize schedules and classes.

Daily Doubles can begin **August 17th**. Contact your coaches for details.

The first day of school is **August 31st**, so come prepared. Supply lists should have been sent out with your registration packets.

This year, with assistance from the Charter Council, we will be moving our **Open House** night from the week before school to two weeks after school starts. We want to call it a **Back to School Night**. The hope is that this will allow for more people to attend and for students, staff, and parents to be better prepared to take advantage of that night. More information will come in the next edition of the Flame. The date for the Back to School Night is **Sept. 9th**.

We look forward to seeing everyone in the upcoming months.

Go Hornets!!

Clothing Closet Start-up for CVCC students

With school approaching again, it brings to our attention of the need for a Clothing Closet at Camas Valley School. The Camas Valley Charter Council is very excited to announce the launch of the new program to the school. With that said, we need you, the community's, help! The purpose of this program is to reach out to children at the school of all ages ranging from K-12. If there is an item a child is in need of whether it be a coat, pair of shoes, pants, etc., we want to be able to provide that for them at no cost to them.

We will be accepting new or gently used clothing items and shoes in all sizes. If you are able to help in any way, it would be greatly appreciated! You are welcome to drop off your donations by Bravo Bakery & Cafe or the School.

If you have any questions, you can contact:

Stefanie Cummings at **541-430-3614**
or **Trish Bachmeier** at **541-643-2932**.
