Auxiliary report: Teresa mentioned a couple of changes to the Easter Egg Hunt for next year. We will have delayed start times so that single parents can be with both children during the egg hunt. Also, we would like to accommodate children with disabilities next year. Teresa mentioned she thought we did not have enough little girls bicycle helmets this year. Teresa was voted in as Auxiliary President.

Minutes: The minutes of the previous meeting were distributed and read. There was one correction of 6 new metal turnout lockers instead of 3. A motion to accept the corrected minutes was made by George and seconded by Ken.

Financial report: No financial report was available for the meeting.

Vehicles: Still waiting on storage boxes for vehicle 4281.

Chief Report: Injectors were installed on 4270. Clay said he is doing maintenance on vehicles getting ready for the summer. Snow plow has been removed from 4281.

Captain Report: We now have a total of 49 calls so far this year. We had 4 fires, 9 mva's and the rest were medical. Putting operating systems on the 5 new laptops that were donated. We received the \$2500 grant from the Oregon Rural Health Grant to help pay for EMT course this summer. Almost done with Firefighter 1 class as this week will be the last week. Good news on the substation. They said the end is in sight. They no longer have to do a two month public comment period. The environmental study was done recently and will just have to ask for an amendment. They have submitted their package to the Federal Registry. FEMA Grants are still closed. Have applied for Wildland Fire Staffing Grant, \$34,000 for compensation and \$1,000 for Administrative.
